Excellent 5 Bedroom house / villa for sale in La Moraleja Urbanización, Madrid

Contemporary property in La Moraleja with three well-organized floors, spacious social areas, and leisure and wellness spaces. A bright and private home, designed to offer comfort, functionality, and an excellent quality of life in an exclusive setting.

This elegant residence stands out for its modern design and the way each room has been conceived to enhance spaciousness, natural light, and everyday comfort. Upon entering the property, a generous reception area leads to the main social spaces, where the living room, dining room, and kitchen flow seamlessly together, creating an open environment ideal for both daily life and entertaining.

The interior layout prioritizes functionality and comfort: family areas are discreetly integrated on the same floor, ensuring privacy and a practical lifestyle. Upstairs, the house offers a versatile space that functions perfectly as a separate area, ideal for guests, extended family, or as a dedicated work and relaxation zone.

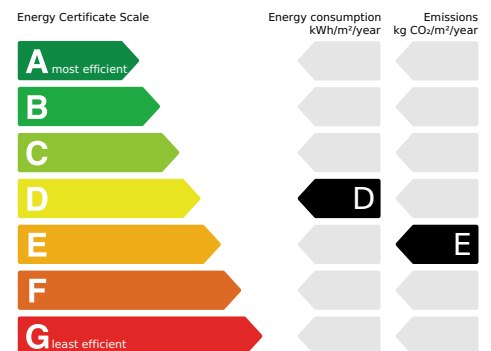

The lower level complements the property with a comprehensive suite of amenities focused on well-being and leisure: a gym, wine cellar, multipurpose rooms, and various storage areas that allow the house to be adapted to different lifestyles. The spacious garage and utility areas complete a floor designed to facilitate household logistics.

The carefully designed facades, oriented to each side, give the house architectural personality and a balanced presence within the plot. The result is a solid, well-planned property with a contemporary character that stands out for its elegance and functionality.
