New build 4 Bedroom house / villa for sale in Majadahonda, Madrid

Exclusive development of 4 detached single-family homes with private pool for sale in Majadahonda, Madrid

Lucas Fox presents Los Satélites, a meticulously designed project that prioritizes exclusivity from the outset: just four independent single-family homes, each with its own private plot of approximately 520 m², swimming pool, exterior area and spaces designed to enjoy daily life with complete privacy.

Without overcrowding or noise, this development is designed for those seeking real quality of life in a consolidated residential environment, surrounded by nature and perfectly connected.

The homes are developed through self-build schemes, allowing each house to be adapted to the owner's lifestyle. They are based on two well-designed architectural models, but with real room for customization in layout, materials, and finishes.

This detached single-family home of type O1 is developed on two floors, with approximately 210 m² built on a private plot of about 520 m².

Maintaining the philosophy of the project, this property offers spacious, well-connected rooms with plenty of natural light, as well as a private garden, swimming pool, porch area and parking within the plot.

The ground floor houses the day area, organized in an open-plan space that integrates the living room, dining room, and kitchen, with direct access to the exterior. This floor also includes a separate study, a guest toilet, and service areas, adding functionality to the overall design.

The upper floor houses the bedroom area, with four bedrooms and four bathrooms. The main bedroom has an en-suite bathroom and dressing room, while the other rooms are comfortably and evenly distributed.

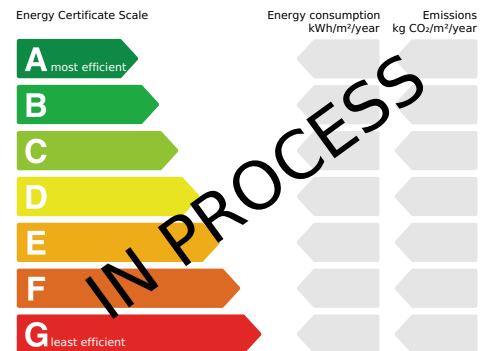

The project allows for different levels of customization, so the final price will be adjusted according to the qualities and solutions selected.
