OVERVIEW

Fantastic fully renovated modern apartment in a stately building in Justicia-Chueca. With a tourist licence and several balconies.

This completely exterior-facing apartment is located in a wonderful building with a classic façade on Calle Valverde, in the neighbourhood of Justicia-Chueca and close to all kinds of public services and transport.

It is a 145 m² home that has been completely renovated and enjoys unobstructed views of the city. It consists of a spacious living room with 2 balconies and an open kitchen, and 3 bedrooms: the main one with 2 glazed balconies and its own private bathroom, a double bedroom with a balcony and another double bedroom as well as a second bathroom. There is also a laundry area at the entrance of the apartment and a storage room of 15 m².

This property would be ideal for those who want to live in one of the most central areas; home to an abundance of leisure and dining options. It would also be a good option for investors since it has a tourist licence and is in a location with a high demand for short and long-term rentals.
