OVERVIEW

Magnificent property for sale in El Viso, former embassy and ambassador's residence composed of a 550 m² and a 300 m² building which are connected and have a lovely private terrace with a pool.

A bright, spacious classic mansion with magnificent finishes on a 727 m² plot in an excellent location in El Viso, one of the most exclusive and coveted neighbourhoods in Madrid. The property is found on a peaceful street surrounded by other high-end classic villas and near several pleasant green areas.

This is a former embassy composed of a 550 m² and 300 m² building joined by a beautiful large private terrace with a dining area and a pool and the basement.

The larger part is the former residence of the ambassador and is accessed via a protected door with 2 marble columns. The door opens up to reveal a large entrance hall with a grand staircase leading to the upper floor with 3 large bedrooms and a master bedroom suite with a fireplace, dressing room and a large terrace, all leading off of a grand landing.

On the lower floor we find a 2-bedroom service area, a cellar, games room and another spacious bedroom while the main floor offers a guest toilet, a study with access to a large terrace, a spacious living room of more than 100 m² with access to a terrace with the summer dining area and pool. The main dining room is also on this floor followed by the scullery and kitchen with access to stairs and the climate controlled cellar.

The 300 m² building has 3 floors containing offices, 2 guest toilets and a professional cinema for 20 spectators. This part could be converted into a large living room and the cinema on the lower floor and 4 en-suite bedrooms upstairs.

The property has been built with the best materials and has features such as air conditioning, automatic blinds, a jacuzzi, a wine cellar, games room and a garage.

This is a truly extraordinary property with exquisite design, brightness and spaciousness, in an excellent location of Madrid. It would make an excellent luxury family home or residence for diplomats.
