OVERVIEW

Stunning renovated 2-bedroom apartment in a unique classical building in the coveted Almagro area. Plenty of natural light and ready to move in.

On a delightful tree-lined street in the highly sought-after Almagro area, we find this classical building with a unique façade. It is just a short walk from the luxury shopping and restaurants of Salamanca and close to vibrant Justicia.

The property is on the fourth floor and has just been completely renovated. It now boasts stylish modern interiors with an open plan living room and kitchen diner, 2 bedrooms, one with an en-suite bathroom, and a separate guest bathroom.

This would be the perfect option for investors due to excellent location and high standard of the property, or an impressive residence in the city.
