OVERVIEW

Recently renovated apartment with decor by an interior designer, for rent in Almagro.

This modern apartment is for rent in a classic building with a lift in a prime location in Almagro, between the streets of José Abascal and Santa Engracia, a residential area with all kinds of services.

It is an exterior-facing property with an excellent renovation by an interior designer, with high-end finishes and great natural light thanks to its 2 balconies and its many windows.

Upon entering we find a corridor. To the right is the living-dining room which is fully furnished. The kitchen is semi open, with a bar open to the dining room, and comes fully equipped with Bosch appliances.

To the left of the hall there are 2 double bedrooms, one of them with a private bathroom, and there is also another additional bathroom. Both bedrooms have built-in wardrobes with internal lighting, just like the hallway, which allows to maximize the storage space. It also has air conditioning units in all rooms and heating with an individual meter.

A beautiful home ready to move in, ideal for those who want to reside in one of the best areas of Madrid.
