OVERVIEW

Beautiful, recently renovated 2-bedroom property to rent in a refurbished building in Salamanca, Madrid.

This property is situated in one of the most desirable parts of the city centre, in a classical building in the heart of the Salamanca neighbourhood of Madrid.

The apartment has been recently renovated (2014) and is offered fully furnished, boasting plenty of space and natural light, 2 bedrooms and 2 bathrooms. It also features aluminum windows and double glazing, a large living room with a kitchenette that is fully furnished and equipped and wooden floors.

The whole building was renovated in 2006 and now benefits from a lift, concierge service and a modern entrance and stairways. On the exterior is a traditional classical façade which is protected and therefore remains in-keeping with the rest of the district.

This property would appeal maybe as a central pied-a-terre in the heart of the city, or as a stunning city home for a professional couple. Properties in this area are always in high demand so there is great rental potential.
