A Perfect Harmony of Architecture, Landscape, and Interior Design. Townhouses in Santa Maria, Mallorca

One needs to look no further to appreciate the important relationship between architecture, landscape and interior that provide harmony throughout the home.

Located on a tranquil street in the homey and spectacular village of Santa Maria, the two 'Casas Baronia' townhouses are only a walk away from the town's center with its lively cafes, restaurants and people. With a traditional yet pristinely laid out front facade, the large wood doors open up to a wonderful 3 floor home including a private garage, a garden with pool, as well as 3 terraces facing the breathtaking Tramuntana mountain range. Encompassing a seamlessly crafted blend of traditional Mallorquin architecture with contemporary living, Casas Baronia leaves nothing more to be desired
