### OVERVIEW

**Stunning property in Ses Salines, blending modern luxury with traditional Spanish charm. Featuring spacious interiors, 4 bedrooms with en suites, Mediterranean garden, and pool.**

Finca Maris, a property where modern luxury meets traditional Spanish charm, located in the picturesque southeast of Mallorca. Designed with intention and crafted for those who seek tranquility, beauty, and the art of fine living, Finca Maris invites you to immerse yourself in a world where every detail inspires.

Step into the heart of Finca Maris, where double-height ceilings and an open fireplace in the loft-like living area create a space of rustic sophistication. The kitchen, thoughtfully divided into zones for preparation and cooking, seamlessly blends practicality with style. Panoramic doors flood the interiors with natural light and open onto a covered terrace featuring a BBQ area and a rustic wooden dining table—ideal for al fresco dining and relaxed gatherings.

The property offers four serene bedrooms, each with en suite bathrooms and terrace access. On the upper level, the master suite is a true haven, with a private balcony that showcases breathtaking views.

The property is surrounded by exquisitely designed gardens, where sweeping grasses, cactuses, and light pebbles create a tranquil oasis. Multiple lounge areas invite moments of solitude or lively gatherings, with the Mallorcan sun and countryside always in view.

At the center of this property is an 80 m<sup>2</sup> swimming pool, surrounded by lush Mediterranean greenery—figs, palms, and citrus trees—that enhance the feeling of a secluded paradise.

The house is equipped with underfloor heating, air conditioning, high-speed internet, and double-glazed windows to ensure year-round comfort. An alarm system and ample parking add to the convenience and security of this home.
