A new development of apartments for sale in Cala D'Or, Mallorca

La Mar, Cala d'Or is an exclusive development of 36 modern apartments, characterized by sleek, avant-garde architecture in a predominantly white palette. Nestled amidst beautifully landscaped gardens, the complex features a communal pool, perfect for enjoying the exceptional Mediterranean climate.

The ground-floor apartments boast expansive terraces with a covered porch and a private garden, while the upper-level residences offer generous terraces with stunning views of either the Cala d'Or marina or the communal areas. Penthouse apartments provide exclusive access to a private rooftop solarium, pre-fitted for a pool installation.

Designed for open and airy living, each apartment features a spacious living area that seamlessly connects to the terrace, with an integrated kitchen and dining space to maximize natural light and enhance the sense of openness. The homes comprise two double bedrooms and two bathrooms, including a master en-suite. Each residence also includes an outdoor parking space and a basement storage unit.

Estimated completion: April 2025.
