OVERVIEW

Spacious ground-floor apartments with south-facing garden, direct pool access, premium finishes, and seamless indoor-outdoor living.

Our Ground Floor Apartments offer the comfort and privacy of a home, rather than just an apartment, with expansive south-facing gardens that seamlessly extend your living space outdoors. These apartments are slightly elevated, ensuring privacy while still allowing direct garden access to the community pool.

Inside, you'll find underfloor heating and air-conditioning throughout, complemented by indirect lighting, high-quality stone and wood flooring, and premium appliances and materials.

Each apartment includes one underground parking space and a private storage room, all included in the price.
