A new development of Apartments for sale in North East Mallorca, Balearic Islands with a starting price of €467,000

This new residential complex is located in Cala Ratjada (Capdepera), just 250 meters from Lliteres Cove, in a unique and particularly peaceful natural setting, facing Sa Gravera Park. The residential complex offers 14 different types of accommodation: apartments with garden or terrace, penthouses with solarium, and duplexes with solarium.

The common areas include a magnificent swimming pool with a beach area for adults and children, a jacuzzi, green spaces, and parking for bicycles and vehicles. All apartments face southeast and are very bright thanks to their large bay windows and French doors. They all have a parking space and a cellar.

Each apartment consists of an entrance hall, which opens onto a living/dining room opening onto a semi-open fitted kitchen and onto an outdoor space (terrace or garden). The sleeping area consists of two bedrooms and two bathrooms.

This property is perfect for an investment or a second home to enjoy the peaceful and easy life that this idyllic island of Mallorca offers.
