Live 100 meters from the Mediterranean – New apartments in Colonia de Sant Jordi

Discover this exclusive residence nestled in one of Mallorca's most sought-after settings, just 100 meters from the sea and 300 meters from the iconic beaches of Els Estanys and Es Trenc.

This new residential project consists of 24 high-end homes: bright apartments offering 2 or 3 bedrooms, with large gardens or terraces, penthouses with private solariums, and duplexes with gardens, all designed to take full advantage of natural light and the Mediterranean climate.

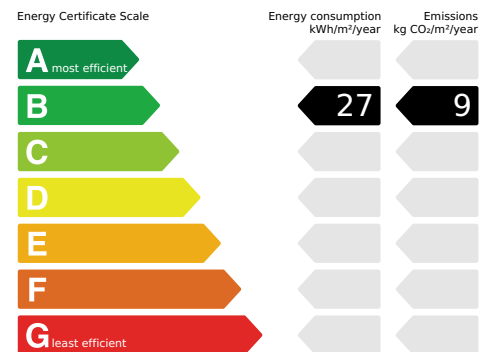

Each property comes with a parking space and storage area. Residents will enjoy an exceptional living environment with a swimming pool, jacuzzi, solarium, beach pool, and landscaped gardens.

Starting from €560,000, this is a unique opportunity to live in a preserved natural environment, close to the S'Avall salt pans, in a property ideal as a main residence, second home or rental investment.

Expected delivery: November 30, 2026. Don't miss this opportunity to live just a stone's throw from one of the most beautiful coasts in Mallorca.
