Renovated 2 bedroom Apartment with Terrace in the Heart of La Missió, Palma de Mallorca

Offered exclusively by Dils Lucas Fox Mallorca: 2 bedrooms - 2 bathrooms renovated apartment with office, bespoke open-plan kitchen, bright living area, private terrace and balcony. Blending historic Mallorcan charm in the heart of Palma de Mallorca.

Located in La Missió, just moments from La Rambla and the city's vibrant historic centre, this turnkey property combines timeless Mallorcan character with contemporary mediterranean living.

Completely redesigned and meticulously renovated, the apartment offers approximately 125 sqm of beautifully curated living space:

The layout comprises two spacious bedrooms, including an en-suite principal bedroom, two elegant bathrooms, and a versatile office that is ideal for remote working.

The heart of the home is a bespoke open-plan kitchen, handcrafted by local artisans and seamlessly integrated with the bright and spacious living and dining area. Large windows, generous ceiling heights and carefully preserved architectural features flood the interiors with natural light, while exposed wooden beams and restored original doors.

The living spaces extend effortlessly onto a charming private terrace of approximately 5 sqm, complemented by balconies that enhance the apartment's indoor-outdoor Mediterranean lifestyle.

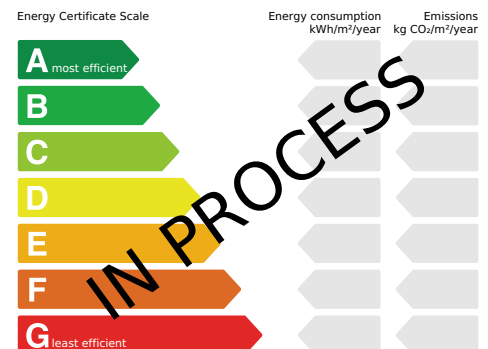

Every detail has been thoughtfully considered, from handcrafted hydraulic tiles in the bathrooms to bespoke wardrobes, custom-made bathroom furniture and integrated storage solutions, creating a refined and harmonious interior.

A significant added value of this property is that the community has already approved and fully funded a comprehensive renovation of the building. The planned works include the installation of a lift, together with aesthetic enhancements to the common areas, further elevating the appeal and long-term value of the residence while preserving the building's already well-maintained condition.
