OVERVIEW

New phase available NOW! New contemporary-style 3 & 4-bedroom villas with panoramic sea views for sale close to the beach and Marbella town centre

This modern contemporary development is an urbanisation of 3 and 4-bedroom villas located between Marbella and Río Real. The area is quiet and peaceful and, at the same time, it is conveniently positioned near all amenities and the centre of town. The estate is only minutes away from nice beaches and sand dunes and boasts panoramic sea views.

There are only 3 plots available and buyers will be able to choose 1 of the 4 different types of luxury villas to build on their plot: Pino (3 or 4 bedrooms), Roble (3 or 4 bedrooms), Nogal (3 bedrooms) or Olivo (3 bedrooms). The plot sizes range from 800m² to 878 m².

All villas are defined by a minimalistic design, straight lines and bright open spaces. The main living areas merge into the terraces with swimming pools, giving the impression that they are all one large space. The rooms being so open and large, distribution is very flexible in all the villas. All bedrooms are ensuite and the layout of the kitchens can be altered to suit each buyers' preference.

The development offers a unique, comfortable, luxury lifestyle in perfect homes which are to be built to the highest standard.

Prices start at € 985,000
