OVERVIEW

Development of 125 new homes on the coast of Badalona with private terraces, communal swimming pool and exclusive sea views.

Marina Puerto is an exclusive development of 127 new build apartments located on the coast of Badalona, just a few metres from the Mora beach and within the metropolitan area of Barcelona. It is designed for those looking to enjoy life by the sea without giving up urban comforts, which is why it stands out for its excellent orientation. This allows for abundant natural light thanks to its large windows, a detail that fills every room with warmth and light.

The two- and three-bedroom homes range in size from 93 to 142 m², with terraces of up to 116 m², ideal for enjoying moments outdoors with sea views. In addition, each unit has a private garage, balconies and large interior spaces that include a living dining room living room and an open-plan equipped kitchen, perfect for those who value comfort and modern design.

Marina Puerto not only offers a seafront lifestyle, but also exclusive communal areas including a communal pool and gardens, creating a relaxing and practical environment for its residents. Its strategic location, close to the Marina de Badalona and the Gorg navigable canal, makes this development one of the areas with the greatest projection in the city.

With excellent road and rail connections, it is synonymous with the perfect balance between marine and urban life, combining the best quality finishes and inspiration from marine elements. In short, an ideal place to live and enjoy almost five kilometres of beach and a wide range of amenities within reach.
