OVERVIEW

Discover Marina Golden Bay, luxury new apartments with terrace and sea views in the prestigious Puerto Marina, Benalmádena, Costa del Sol.

Lucas Fox presents this spectacular new build development in the very port of Benalmádena. The development offers the most exclusive apartments in the Benalmádena area.

Marina Golden Bay is inspired by the shape of a ship docked in the port. It offers a wide typology of two- and three-bedroom homes: apartments on the ground floor, intermediate floors or two-story penthouses; all of them with a terrace with incredible views of the sea, a parking space and a storage room included.

The homes have a modern design, with neutral colors in beige and white, which increase the feeling of spaciousness. The main rooms have large windows that access to the terraces with sea views that allow the entry of abundant natural light. Likewise, open-plan rooms are offered with the open-plan kitchen living-dining room and kitchen, which make the most of the space.

These luxurious apartments have been meticulously designed to offer a modern and comfortable lifestyle, with spacious, light-filled interiors and high-quality finishes.

Marina Golden Bay will enjoy great tranquility, perfect for disconnecting. Its undulating façade evokes the waves of the sea and allows you to enjoy terraces open to the sea. In addition, its gardens offer a contrast of colors, while in the community pool area there are hammocks to relax.

Contact us for more information about these incredible homes next to the Benalmádena marina, in an area with a temperate climate all year round and more than 320 days of sunshine a year.
