OVERVIEW

Incredible house with almost 4,000 m² of land in Sant Andreu de Llanerres.

This spectacular villa covers a built area of almost 600 m² and sits on a 4,000 m² plot.

It presents two well differentiated modules. In the first one we find a living-dining room and a kitchen, a perfect place to meet friends and enjoy the large garden. The other module houses the most private, family area of the property, which is made up of a main bedroom and the rest of the bedrooms, all of them with abundant natural light.

This house also has a multipurpose room, a room for service staff and an auxiliary building with a bathroom, ideal as a guest house or a chill-out area with barbecue and all kinds of amenities.

For athletes, the terrain boasts a fronton and basketball court, perfect to de-stress and disconnect from day-to-day life.

Finally we find a covered porch with capacity for four cars.

Without a doubt, a villa that will allow you to live, work and enjoy the pleasures of life, always with fantastic views of the sea as a backdrop.
