OVERVIEW

Fantastic 270 m² house at 3 winds for sale in the prestigious development of Supermaresme, Barcelona. See the virtual tour for more details.

Lucas Fox is proud to present this fantastic property. This beautiful house is located in the luxurious Supermaresme development , just 30 minutes from the capital Barcelona and very well connected both by road and highway. This development is one of the most exclusive in the area and has 24-hour security and a sports area. The area is perfect for lovers of a quiet lifestyle, without giving up water sports, horse riding or hiking, among others. In addition, it offers some magnificent clubs to be able to interact and practice the desired activity.

The vast majority of the house is distributed on the main floor , where we find a large open area that perfectly integrates the kitchen, dining room and living room. From the kitchen, we have access to a utility room with its own bathroom and a large storage area.

On the other hand, we have the night area, which consists of the master suite with a private bathroom and access to the garden area. Through a distributor, we access the rest of the night area: two double bedrooms, a bathroom plus a suite-type bedroom .

From the living room, a magnificent staircase leads to a large multipurpose room, currently used as an office.

It should be noted that the entire garden is completely flat, with natural grass and a saline chlorination pool. All the rooms are exterior, quiet and offer a lot of privacy. Also includes a covered garage.

Ideal for all those who want to enjoy an exclusive and quiet location, close to the beach and the mountains, without giving up all the amenities and activities that the area offers us. See the virtual tour for more details.
