Lucas Fox presents this fantastic 2021 duplex apartment, with class A energy certification and just 100 meters from the beach and 150 meters from the marina. Arenys is a very charming town, since its excellent location offers us a quiet and privileged environment, without giving up all amenities. In addition, it is very well connected by train and road, with a distance from Barcelona of 40 minutes.

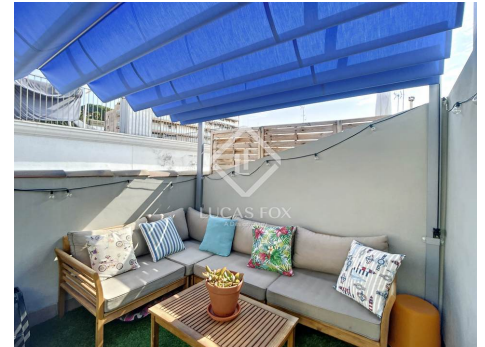

This charming apartment is presented in excellent condition, with a layout on two floors, duplex type, with three bedrooms. In addition, it has a living-dining room with an open-plan kitchen and two bathrooms to service the property. However, it stands out for its cozy terrace where you can spend unforgettable moments and enjoy great privacy.

It should be added that the property offers the option of a garage space on the same building.

Among its qualities, it includes class A energy certification, thanks to an aerothermics equipment, which feeds the hot/cold air conditioning system, with a minimum economic cost.

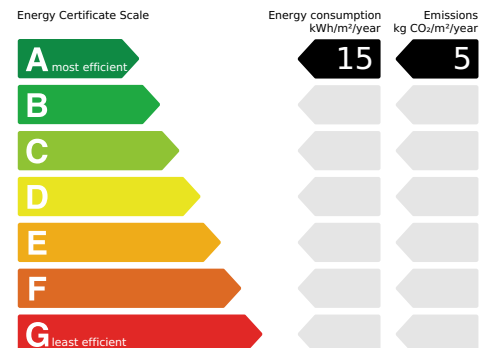

The property is located next to the centre of Arenys, near the beach and with very good access, and without the need to use the car, if you wish, since it is a few meters from the centre.
