OVERVIEW

Recently renovated house in the hills overlooking the Maresme coastline in the sought-after residential area of Sant Andreu de Llavaneres.

This property is in a fabulous elevated position, with lush gardens and a heated saltwater pool and terrace set against the beautiful backdrop of stunning uninterrupted views. The house is surrounded by greenery that enhances privacy, while mature trees offer shady places to relax.

The house has three floors, the top one entirely taken up by the master bedroom suite with its private living room and fireplace, dressing area and two very large walk-in wardrobes. This impressive suite also has its own terrace to embrace the views.

The ground level has three further beautiful suites and a large living area with access to a chill-out porch overlooking the gardens and pool. The fixtures and finishes are of the highest standard with large expanses of glass and striking dark wood floors.

There is a kitchen and breakfast room and a dining area with shady outdoor terrace for al fresco entertaining. The 2-car garage is also on this level, along with a laundry, pantry, storage room and 1-bedroom staff or guest bedroom.

Downstairs, a large multipurpose room is currently used as a gym but would also make a fantastic home cinema, office or studio. This looks onto a calm outdoor space through floor-to-ceiling windows that let in plenty of natural light. This level also has a bathroom and storage room.
