OVERVIEW

Apartments with 2-3 bedrooms and 1-2 bathrooms in a new development with communal areas such as a pool and a gym, in a privileged area of Menorca, next to the beach.

Arenal Beach is a new development with a privileged location, very close to the beach, on the fantastic island of Menorca, with its enviable climate. All this without giving up having all the necessary services for daily life very close.

It is a gated community, with various security measures for greater peace of mind for its residents. It will also offer a wide variety of community services and facilities. These include a reception area, a spa with jacuzzi, sauna and cold baths, a fully equipped gym and a swimming pool with beach area, a chill-out area and a children's play area.

Arenal Beach offers apartments with 2 and 3 bedrooms with 1-2 bathrooms and with excellent terraces, which will allow us to hold meetings, evenings or simply relax while enjoying the magnificent climate of Menorca.

The apartments benefit from a modern, elegant and minimalist design with open spaces and white walls, as well as with large windows that allow the entry of abundant natural light and many of them offer excellent views of the sea.

Among its qualities, we can highlight the aluminium exterior carpentry of the Technal brand with thermal bridge break and double glazing, the home automation system, the arothermal system for the production of sanitary hot water or the air conditioning with heat pump through ducts.

The kitchens and bathrooms are fully equipped. The kitchens include the best appliances from Bosch, Neff or similar and the Neolith countertops, while the bathrooms have Porcelanosa brand equipment.
