OVERVIEW

Charming house recently renovated in the historic centre of Ciutadella Menorca

House of 105 m² with a small patio of 5 m² and a terrace-solarium of 6 m², close to Sa Plaça des Born, in the historic centre of the city.

The recently renovated house is arranged over three floors. The ground floor welcomes us with a hall that leads us to a comfortable, very bright living-dining room, followed by a beautiful kitchen with access to a small, well-decorated patio and a laundry room.

Via a beautiful stairway, we reach the first floor, which houses two beautiful double bedrooms and a charming bathroom. On the second floor we find the attic area with a bedroom for an office and a room under a sloping roof for a dressing room. From this floor we go out to a small and pleasant terrace-solarium. The house has good quality finishes, wooden cladding on the walls and frames, wooden ceiling fans in all rooms and burlap floors.

A charming property to live all year round or to spend seasons.
