OVERVIEW

Legalized countryside house with guest apartment for sale very close to the urban centre of Ciutadella de Menorca.

Lucas Fox presents this 249 m² countryside house with a 70 m² guest apartment built and incorporated into the house on a 1,809 m² plot , in a very quiet area and just 1.5 kilometers from the urban centre of Ciutadella de Menorca.

The property is distributed on a single ground floor. We are welcomed by an impressive covered porch with a sandstone roof and exposed wooden beams. At the entrance, we have the immense living room with a wood-burning fireplace and high ceilings, also with a marés ceiling and exposed wooden beams. From the living room and going up a couple of steps we connect with a hall that takes us to a double bedroom and the main bedroom. From this hallway we reach another hall where we find a single bedroom currently used as an study, a full bathroom and at the end the kitchen- dining room.

From the living room and integrated into the house we access the guest apartment with a double bedroom , a bathroom and kitchen- dining room- living room with access to the covered porch.

Exterior we find a barbecue area, a large garden and wooded area, a growing area/ vegetable garden, a 51 m² swimming pool, a wooden shed and a 38 m² tool shed.

The house, although in good condition, needs updating. It has hot-cold splits in the living room and hall. It also has a certificate of occupancy, electricity and a community well.

An ideal property to live all year round in a quiet place or spend time with family and/or friends. Contact us for more information or to arrange a visit.
