OVERVIEW

Magnificent rustic building with pool completely renovated for rent in Ciutadella de Menorca.

Lucas Fox presents this rustic building of 661 m² built on a fantastic 13,000 m² plot with access from the main road and close to Ciutadella de Menorca.

The building has two buildings. The 350 m² main house is spread over two floors. The ground floor welcomes us with a very charming entrance porch that leads to the entrance hall, a large separate kitchen with a sandstone vault and pantry, a living room also with sandstone vaults and a double bedroom . Going up a staircase, we reach the first floor where we find a beautiful covered porch with arches with unobstructed views of the countryside. Next, there is a cozy living room with a wood-burning fireplace, as well as the master suite with a private bathroom and access to a terrace with beautiful views of the sea in the distance and the sunsets of the Menorcan countryside. This floor also has another double bedroom with alcove. The very comfortable property has been renovated with care and exquisite taste. It also has air conditioning in all rooms.

Outside we find a large barn completely renovated and converted into a guest property , with an open space converted into a living-dining room with a fireplace, a kitchen, two double bedrooms and a complete bathroom . All these rooms have air conditioning. Attached to this storage room, we find another ensuite bedroom and air conditioning.

A large terrace surrounds the pool and just in front, we find a covered porch for a barbecue area and wood oven, ideal to enjoy with family and/or friends.

The surroundings of the building have garages and storage rooms, as well as beautiful garden areas with unobstructed views of the countryside and the sea in the distance.

An exclusive property to spend seasons with family and/or friends.
