OVERVIEW

Spacious and bright apartment on a very large plot in Pinares de San Antón.

This beautiful villa is situated on a plot of 1,000 m² and offers 176 m² of living space distributed over two floors.

On the main floor we are welcomed by an entrance porch with wooden beams, followed by the spacious living room with fireplace, gable roof and direct access to a large terrace. This floor is completed by the kitchen and a bathroom. On the lower floor we find the night area which has four bedrooms, all with large windows overlooking the garden, and two bathrooms.

The house enjoys a lot of natural light thanks to its magnificent aspect, in addition to the windows, and it is in good general condition since most of it was renovated in the year 2000.

The ideal villa for those looking for a house with lots of land and a rustic exterior style combined with simple lines in the interior. Contact us for more information or to arrange a visit.
