OVERVIEW

Detached villa in the Miraflores del Palo residential community on a 710 m² plot with panoramic views of the bay of Malaga.

This 5-bedroom, 710 m² villa is located in Miraflores del Palo, a very quiet residential area on the east coast of Malaga, a few minutes' walk from the promenade and the beaches. In addition, you will find all services, public transport and international schools very close by.

The property has been renovated and extended several times since it was built and now offers 240 m² of accommodation mostly across a single floor. In addition to the main house on the first floor, it offers an attic with a bedroom and a small independent apartment next to the pool area, with entrance from the garden.

On the ground floor, we find a very large living room with direct access to a large terrace offering views of the sea and Malaga and access to the pool area. This same floor has 3 double bedrooms, one with private bathroom, another bathroom, a kitchen-diner and a living room. From the living room, a staircase leads to the upper floor, with a bedroom with a terrace and another bathroom.

Outside, we can enjoy the garden and the pool. An apartment with a bedroom and a bathroom is accessed from the garden. Finally, next to the entrance, there is a large outdoor parking area for several vehicles and a closed garage.
