Spacious 3-bedroom villa with gardens for sale in Miraflores del Palo, Malaga

Rustic-style villa with two floors and 3 bedrooms, overlooking the sea, garden and pool, for sale in Miraflores del Palo, Malaga.

This detached villa with sea views has a plot of 720 m² and was built in 2001 in the Miraflores del Palo development. This development has fast and convenient access to the highway and the neighbourhood is very quiet.

Originally the house occupied 145.60 m² distributed on one floor, with the main rooms of the house. Subsequently, the lower floor of a similar size was enlarged and built, thus doubling the size of the villa.

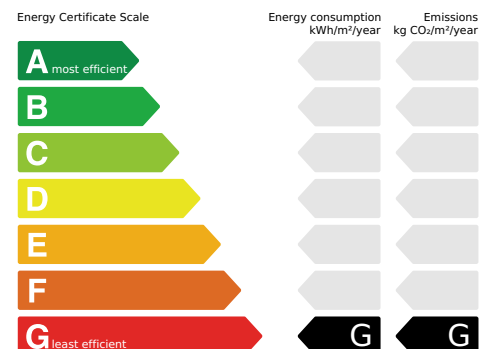

The property has two floors. The main one includes all the main rooms of the house: a large living room with terrace, a large kitchen with a dining area with access to a pleasant patio, two double bedrooms, the master bedroom with private bathroom and another bathroom.

On the lower floor we find a very wide open area, which occupies the entire constructed area of the floor of the house. It is currently designed and prepared for leisure purposes and to hold events or meetings, with a seating area and bar with direct access to the main garden and the pool area. In addition, this floor also has a nice outdoor porch.
