OVERVIEW

Beautiful villa with large windows and modern design, in addition to a large garden with pool and all facing south.

Independent house on a plot of 600 square metres, with a large garden and private pool. It has direct access to the motorway to reach Malaga airport in 10 or 15 minutes.

The house stands out for its modern style with large open spaces and a surprising amount of natural light in all its rooms, thanks to its large south-facing windows.

The property has 2 floors. The upper floor has 4 bedrooms and 2 bathrooms, plus a great terrace.

On the lower floor, we find a living room, kitchen, another bedroom and an office, as well as another bathroom.

Probably, its most striking feature is the great feeling of space and freedom that you will notice as soon as you enter the living room with its fireplace, and the kitchen diner, since the house has sliding doors to integrate the porch and the garden with the ground floor of the house, to form a single open space.
