OVERVIEW

Exclusive 6-bedroom home located in the Pinares de San Antón development.

Beautiful Andalusian style villa in which a family can enjoy a spacious home, distributed over two floors, with an attractive garden that offers total privacy. Its large living room with double height fireplace is an ideal space to have a good time with family or friends. There is also a large kitchen diner, as well as a pantry and laundry area. The house is completed by six bedrooms, two of them with ensuite bathroom and four of them with access to the garden or terrace, and another bathroom. The house has a lift that connects the two floors.

The house is completely exterior-facing and is built with high quality materials: the floors combine marble, clay tiles and wooden floorboards, the doors are made of high quality wood, and the exterior carpentry is renovated and is made of wood with Climalit glass. In addition, it has heating in all rooms and solar panels for both hot water and heating.

In the upper garden there is an attractive little wooden house that can be used as a bedroom, games room or leisure room, as well as the salt water swimming pool with teak wood decking.

It has an interior garage for two vehicles and an exterior garage for two or three vehicles.

Without a doubt, if you are looking for a great house to enjoy with your family, do not hesitate to visit this excellent home.
