OVERVIEW

Spectacular detached villa of 339 m², on a plot of 971 m², with 5 bedrooms and 3 bathrooms, for sale in Cerrado de Calderón, Malaga.

Detached house of 339 m², on a plot of 971 m², with frontal views of the sea. The villa is located in the lower area of Cerrado de Calderón, one of the most sought-after developments in Malaga.

Outside the house, there is a large porch, adorned with various plants and pots. Strolling alongside the façade, we come across the pool that offers magnificent and incomparable views of the bay of Malaga.

Upon entering the house, we find the hall, which leads to the rest of the rooms. On the left, there is a toilet and on the right, we will enter the master bedroom, with a private bathroom, dressing room, two closets and views towards the porch.

Continuing towards the centre of the house, we come to a beautiful dining room, which was formerly an Andalusian patio, so it offers plenty of natural light and a great feeling of open space.

To our right, we see a bedroom with a built-in wardrobe that is currently used as an office. Following the route, we arrive at a double bedroom, with a built-in wardrobe, and a bathroom to share with the office.

Crossing the dining room again, we find the main living room of the house, perfect to enjoy beautiful views and plenty of natural light. The living room offers direct access to the terrace, next to the pool area. Next we find the kitchen, in an L shape, with the same views as the living room.

It also has a totally separate apartment with direct access from the street that could be used for rent or even as accommodation for service personnel or as a guest apartment. It covers approximately 60 m² and consists of a bedroom with a built-in wardrobe and a living-dining room with an open-plan kitchen.
