OVERVIEW

4-bedroom duplex with terraces overlooking the bay of Malaga for sale in a private community with swimming pool, gardens and sports courts.

Duplex in Cerrado de Calderón with direct access from the street. The property is distributed across three floors. The lower floor, at street level, was previously the garage but has been converted into an apartment with a living room, bedroom and bathroom. It has lots of light and independent access.

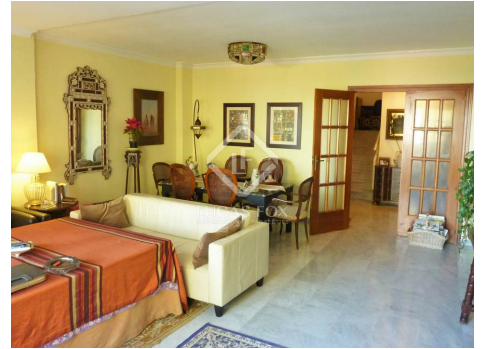

On the first floor there is a hall, a bathroom, the main living room, the kitchen, a pantry and the main terrace. A staircase leads to the upper floor, where there are three further bedrooms, including the main bedroom with private dressing room, another bathroom and the second terrace.

The two magnificent terraces, measuring approximately 30m² and 20m², are accessed from the living room and bedrooms respectively and offer great sea views.

The complex offers the best communal areas to be found in Cerrado de Calderón including barbecue facilities, large shaded gardens, a basketball court and very large swimming pool.

There is a free parking area within the complex for owners and their guests. In addition, in front of the property there is a parking space.

This is a great opportunity for a young family with space for children to play and close to some of the best bilingual schools, such as the San Jorge school, which is only a five-minute walk away.
