### OVERVIEW

## 3-bedroom country house with captivating mountain views.

A beautiful villa near the village of La Viñuela and the beautiful lake. Boasting captivating mountain views in the heart of the Axarquía mountain range.

The villa has a large master bedroom with an ensuite bathroom and double doors that lead out to a large terrace with views over the mountain. The second bedroom is large with built-in wardrobes and a family bathroom.

The large front room is spacious and filled with natural light. There is also a fan assisted fireplace and air conditioning. From this room you can step out on to a large terrace which is ideal for al-fresco dining or simply relaxing in the chill out area and watching the sunset. In winter months you can also close the balcony with the glass curtains to make the perfect conservatory.

The kitchen is fully equipped with a dining area and pantry. There is a separate outhouse for the utility room.

What gives this villa it's magical dimension is all the different terraced areas found all around the house and swimming pool. Which are adorned with beautiful plants, trees and rockeries.

Downstairs by the pool you have a separate apartment which at the moment is used as the owner's private clinic but can easily be converted into a studio apartment with separate kitchen and bathroom.

Perfect for a holiday home for a couple or family.
