OVERVIEW

Property on a private plot of more than 8,000 square metres with a useable built area of 1,600 metres, a swimming pool, garages, guest area, gardens and phenomenal views.

Located at the top of a private development, 25 minutes from Malaga airport, this palace has been designed to make the most of its incredible views.

After entering the private development through the security entrance and moving to the highest part of the community, we find the large main entrance for cars with a garage of 60 square metres, followed by the front door. Beyond the entrance hall we have, in addition to the stairs to the lower and upper floors of the building, a bedroom, four living rooms, toilets, a dining room, an office, a huge bedroom with a large dressing room, a bathroom, a sauna, steam baths and access to the terrace area.

On the lower floor, which can be accessed by lift, it has six bedrooms with separate bathrooms, another dining room, a kitchen, a laundry room and two more utility rooms.

If we go down another floor we find a spacious living room and dining room, also accessible by lift. This area has an independent entrance from the main house. This entrance is located in the garden area near the pool.

From the car entrance, next to the main entrance, we have a path via which we access the eastern part of the property, where an individual house with four bedrooms, a living room and two bathrooms is built.

If we follow the landscaped path we will see an independent building next to the pool, which consists of an exterior and interior kitchen, a large covered dining room and toilets.

From the terrace, the pool and the covered dining room you can see phenomenal views of the Guadalhorce valley and the bay of Malaga.
