OVERVIEW

Building with 3 separate residences with beautiful views next to the Plaza de Alfonso XII.

This 628 m² building, constructed in 2008, is located on a 233 m² plot and has the ground floor plus 3 additional floors.

On the ground floor, we have a spacious hall from which you access a bedroom with a private bathroom, a spacious living-dining room with its own commercial type bar / kitchen, access to the large garage with capacity for 6 cars, and a lift to access to the upper floors.

The first floor offers a separate apartment with a spacious formal living-dining room, 3 bedrooms, 2 bathrooms, an informal lounge, a large kitchen, a laundry room and a large interior patio.

The second floor has the same layout as the lower floor, except that it does not have an interior patio.

The third floor houses a separate penthouse, which consists of a living-dining room, kitchen, bathroom and 2 bedrooms. From this level, we can go up to the rooftop of the building, from where you can enjoy the beautiful views of the Victoria church and the Alfonso XII square.
