OVERVIEW

New apartment with 2 bedrooms and 2 bathrooms for sale in a renovated old warehouse building in the historic centre of Malaga.

On one of the quietest pedestrian streets in the capital of Malaga, we find this old commercial building that, after extensive renovation, offers us some of the most modern homes in Malaga.

The apartment is on the ground floor of this renovated building. Upon entering, we find a spacious living room, with an area for dining and an American-style kitchen. To the right of the living room, there is the master bedroom with its private bathroom and to the left, the second bedroom. At the back, a second bathroom is offered. Likewise, the property benefits from high ceilings that have been used to create a mezzanine-type loft to gain additional space.

In terms of design, the apartment has a modern design with an industrial air. With regard to the equipment, new materials have been used to achieve an exclusive home, with excellent thermal insulation. The kitchen and bathrooms come fully equipped.
