OVERVIEW

Wonderful detached house of 350 m² with privileged views of the sea, located on Mount Gibralfaro, a few minutes from the beach.

This fabulous house with a built surface area of 350 m² and a 400 m² plot enjoys wonderful sea views and is distributed over three floors.

In addition to access to the house, on the ground floor there is a private garage with an automatic door. At this same level we find the porch, from which you can see the beautiful terrace with stunning views of the bay of Malaga. The pool is also located in this area.

Continuing towards the second floor of the house we find a bedroom (currently used as an office), a dining room, as well as a spacious living room that communicates with the terrace and allows us to enjoy spectacular views of the sea. On this same floor we also have a fully furnished and equipped kitchen.

Going down the comfortable stairs we reach the night area, which houses the main bedroom, the main bathroom, a dressing room, four other bedrooms and a second complete bathroom. On this level there is also an apartment with a bathroom. A well-kept garden and a storage room complete this level.

If you are looking for a home with the best views of Malaga, do not hesitate to call us.
