OVERVIEW

Apartment in perfect condition with 2 bathrooms and a 110 m² terrace, parking and a large storage room.

The development is made up of two four-storey buildings separated by a central garden area with a communal pool.

It is mainly characterized by the design and distribution of the ground floor homes, which benefit from the exclusive use of the building's perimeter garden areas.

This property, in particular, has the exclusive use of the largest terrace in the development.

The main entrance is in the garden area with the community pool. Upon entering, we find a hall from which we have access to the first bathroom and a built-in closet. Next, we go to the two bedrooms, both with built-in wardrobes, the first of them with an en-suite bathroom.

Leaving the bedrooms behind, we arrive at the open, fully equipped kitchen and the spacious living-dining room. Also, the living room has direct access to the large terrace of 110 m² that is on the corner of the building.

The property also has a garage space in addition to a large storage room and the use of the community terrace of the building.
