### OVERVIEW

## Magnificent house with spectacular views of Malaga, with 833 m<sup>2</sup> built surface area and an infinity pool.

Impressive house for sale in the best place in Malaga. It is one of the best homes in the area, with stunning views of the cove. It is located on a plot of more than 1,100 m<sup>2</sup> and has a surface area of 833 m<sup>2</sup> built on four floors.

Upon entering the house, from the hall some pleasant stairs lead us to a wonderful living room with access to the terrace and large windows, through which we can enjoy dreamy sunsets. To the right we have the dining room and, next to it, the large kitchen, which connects with the side of the house and the independent annex, consisting of a bedroom, living room and bathroom. On the main floor we also have a double bedroom with dressing room and private bathroom, as well as another living room.

If we take the lift, we reach the upper floor, where there are three large bedrooms with their own terrace and private bathroom. Two of the bedrooms have a built-in wardrobe.

The middle floor consists of a spacious bedroom with an en-suite bathroom, as well as a toilet.

On the other hand, the basement offers a spacious open-plan area used as 118 m<sup>2</sup> parking, as well as a toilet and a windowless room, currently used as a movie theatre.

Outside we find a magnificent infinity pool.

As if all this were not enough, the house offers stunning views of the bay of Malaga and the mountains of San Antón. Likewise, it is presented in an optimal state of conservation with top quality materials.
