"Three Rural Houses"

Three Rural Houses, completely renovated, with a spa and yoga room, located in a beautiful part of the Montes de Málaga Natural Park

A rural refuge nestled in an idyllic setting of extraordinary beauty in the Montes de Málaga Natural Park. A perfect place to practice yoga, meditation, hiking and all kinds of natural alternative therapies, as well as outdoor activities, cycle tourism, etc.

Los Montes is a destination which is highly sought after by the locals due to its proximity to Malaga city centre. It is also an international destination for all those who want to enjoy the wonderful national park, whose flora, fauna, culture and gastronomy are among the richest in Spain and Europe.

The property is divided into three beautiful houses that are completely separate and fully renovated in 2020. The largest house, "CASA TROMPETILLA", has capacity for ten people, a spa, a yoga room and a swimming pool with incredible views. The other two houses, "CASA CIELO" and "CASA CACTUS", have capacity for four people each, also with a swimming pool and mountain views. The three houses offer great privacy and comfort as they are totally independent from each other and do not share any services or land.

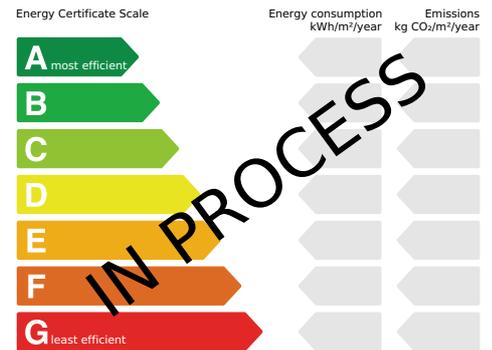

Its architecture is faithful to the Andalusian houses in the mountains, with a touch of modernity and freshness in its decoration. Tradition and contemporary design go hand in hand to offer all the necessary comforts and to be able to enjoy nature and comfort. It should also be noted that the property offers a welcoming and beautiful environment, both indoors and outdoors.

All the houses have current licences as rural houses issued by the Junta de Andalucía.
