It is a pleasure to present this exclusive completely renovated manor house, located 50 minutes northeast of Malaga and 1 hour from Granada.

With a built surface area of 640 m<sup>2</sup>, it sits on a plot of more than 2 hectares and is surrounded by beautiful cypresses and fruit trees, as well as abundant natural fauna.

The typical Andalusian country-style main house has a white facade bathed in abundant natural light and is distributed over two floors. All doors are solid wood.

Upon entering the property, a large hall leads us to 2 lounges with different environments and a fireplace. On the other side of the hall we have a large kitchen with dining room, fully equipped and inspired by the style of the old Andalusian farmhouses.

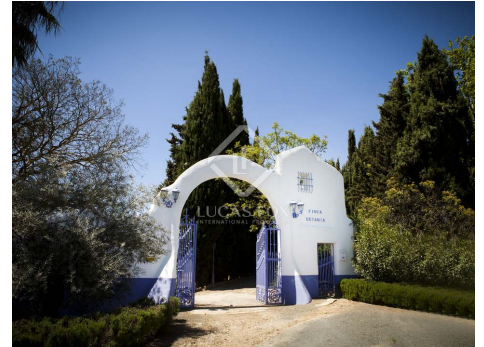

The 5 bedrooms, all of different elegance, with ostentatious closets, individual air conditioning and natural light, are located on the second floor. The master bedroom has a fireplace and a private bathroom. The rest of the bathrooms are distributed among the other rooms.

The second building on the estate is an auxiliary property with 2 bedrooms, bathroom, living room and kitchen. Ideal for guests or service personnel of the estate itself.

This splendid farmhouse also has a saltwater pool, surrounded by a lush garden area, tall trees, fountains and decorative vegetation that provide a feeling of tranquility and privacy.

The farmhouse also has a tourist licence, so it is not only an ideal place to live in contact with nature, but it could also be used for a tourist rental purposes. Likewise, its more than 3,000 m<sup>2</sup> of warehouses and stables could be adapted subject to the corresponding permits to use the farm for livestock purposes.
