OVERVIEW

Extraordinary 94 m² apartment located in a luxurious building, in one of the most emblematic squares of the city of Malaga.

Built in 2006 and surrounded by 17th century buildings, the building where the house is located has a concierge service throughout the year and stands out for its luxury finishes.

The apartment is located in the heart of the building, so it offers extraordinary frontal views of the Cathedral.

As soon as we enter, we appreciate a large built-in wardrobe and then a large, fully equipped kitchen with a window to the interior patio. Next there is a bathroom and a living-dining room with a large window overlooking the square that is the focal point of this home.

The living room connects with a second and large bathroom, flanked by two bedrooms with fitted wardrobes. One of them is exterior, while the other offers views of the Plaza del Obispo.

The property has pre-installation of an air conditioning system, as well as automatic blinds.

The garage, which can be accessed directly from the internal elevator of the building, offers easy access to the property.

Do not miss the opportunity to see this magnificent apartment. Contact us to schedule a viewing.
