OVERVIEW

Spectacular newly renovated apartment with stunning views of the bay of Malaga for sale in La Malagueta.

Lucas Fox presents this luxurious home, just a step away from the beach.

This apartment, renovated just three years ago, has a modern and sophisticated design with summer and refreshing colours. It has tile floors handcrafted by Valencian potters.

Upon entering the apartment, we are greeted by a hall which leads us to the kitchen, located in the middle of the home and featuring a Provençal design, with white lacquered cabinets and an island, fully equipped with state-of-the-art appliances.

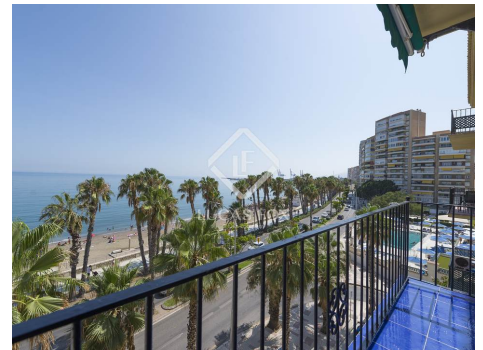

To our right, we enter the living-dining room, decorated in beautiful shades of sky blue and with views of the Mediterranean Sea. Here, there is a spacious dining room, ideal for family and intimate meals, as well as the rest area, with access to a balcony overlooking the sea where you can enjoy the sound of the waves. Given the size of this room, the dining area could be used as an additional bedroom.

As we move forward, we see the secondary bedroom, with built-in wardrobes on the side and overlooking the sea. A little further on, we find a complete bathroom, which serves the entire home.

Finally, we enter the bright 40 m² master suite, featuring an Italian design with wooden floors and Venetian stucco paint. It has a private bathroom with an Italian design in Carrara marble inlaid with handmade mirrors that gives a truly unique style. In turn, it also has a dressing room, two large windows and a wall of lacquered wood built-in wardrobes.

The property has a community parking space.

If you want to live in the most exclusive area of Malaga, in the apartment with the best design, do not hesitate to schedule a visit with us.
