Excellent 3-bedroom apartment for sale in Malaga

Apartment for sale, resulting from the union of two properties on the second floor of a building with only three neighbours and two of them with a shared terrace on the roof, in the centre of Malaga.

The apartment has two entrances, since it is the result of the union of two independent properties that can be kept together or transformed into two independent homes.

The building has a lift and benefits from a location in a central and pedestrianized area of Malaga.

After the entrance, we have a hall with a built-in wardrobe that leads to the spacious modern design kitchen, fully equipped and with a pantry.

The living-dining room is large, as it is the result of the combination of the living rooms of the two homes. It benefits from huge windows to the outside that allow in abundant light throughout the day.

The property has three bedrooms, one of them with its own dressing room, and two bathrooms.

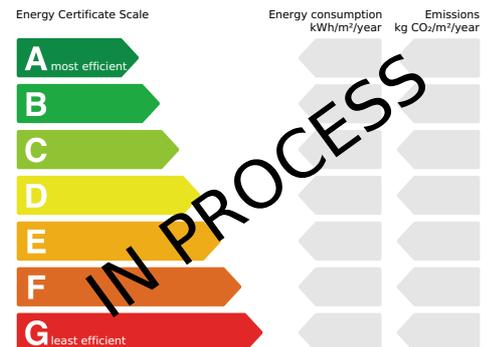

The apartment benefits from hot / cold air conditioning and double-glazed windows.

It is located on the second floor and offers you a terrace on the roof of the building with only three floors and that it shares with a single neighbour. It offers a barbecue area and a storage area, perfect for storing bicycles.
