Excellent 3-bedroom country house for sale in East Malaga

3-bedroom finca on a large 22,400 m² plot for sale in a natural setting just a few minutes from the urban area of Coín.

Finca for sale with incredible views in a natural environment, but close to the centre of Coín.

After an automated gate we access the extensive parking area surrounded by greenery and a high private wall.

The house is characterized by a front in the purest colonial ranch style, with the entrance covered with pillars and with two large cypress trees.

Behind its large double doors, at the entrance of the house, we will find a large living room, dominated by a fireplace with windows that lead to the large outdoor terrace. From the living room, we can access the large master bedroom with its own fireplace and bathroom.

On the opposite side is a huge fully equipped kitchen with a central dining room, next to the laundry area and a bathroom. Next, there are two bedrooms, one of them with a private bathroom.

The house has air conditioning in the living room. The rest of the rooms have heating and double-glazed windows

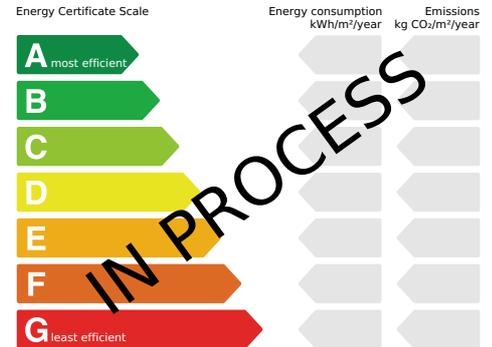

From the large terrace of the house, we can appreciate the incredible views and enjoy its extensive land to the stream in the lowest area of the valley. The land has fruit trees and gardens and is distributed in different areas, such as the chill-out area, the barbecue area and the pool area that, due to its elevated position, offers beautiful views of the area.

Next to the pool we have another building, which is currently used as a warehouse and machinery area, although it could be converted into another bedroom and bathroom if necessary.
