OVERVIEW

Property with a sunny south-easterly aspect, next to the Candado Golf Club and sports club with its tennis and padel courts, basketball, swimming pool and marina, it is a great opportunity to belong to this exclusive area of Malaga.

The property is arranged over 3 levels, the first two floors are the main house and the third, next to the garden and pool, is a separate home.

At street level we have the main entrance to a terrace with the automated entrance to the large garage and storage room, with two entrances, one to the main house and the other to the separate home.

On the main floor we have a spacious living room with a fireplace and a toilet, along with a fully equipped kitchen, we must highlight the large windows that provide great light, in addition to having direct access from both locations to a large terrace, it is designed to optimise the incredible views of the sea and the golf course offered by this property.

Going down to the next floor, we have 4 bedrooms and two bathrooms, one of them en-suite and a dressing room, all with direct access to a large front terrace from which you can also enjoy the beautiful views that characterize this house.

From this terrace we have access to the separate home on the lower floor.

It is at the same level as the garden and pool. It benefits from a covered terrace and a large window in the living room, from which we can enjoy the extraordinary location. It has two bedrooms and two bathrooms.

The property is equipped with solar panels that help to drastically reduce electricity consumption, as well as heating, a fireplace and double glazing.
