OVERVIEW

Extraordinary property with incredible potential, measuring 180 sqm and with 2 terraces.

This property was the result of the combination of two adjoining properties.

Originally with its two entrances, one of them transformed into a storage room and from the other one accesses the home.

The property is characterized by its large east-facing terrace, which was originally uncovered, and its spacious adjoining lounge.

Next we have the old dining room, which has been increased in size to become the master bedroom, which is accessed through a corridor with large fitted wardrobes.

Attached we have the kitchen with its large pantry and laundry area.

Next we have four bedrooms, one of them with direct access to the west-facing terrace, three exterior facing and one interior facing, a bathroom and a toilet.
