OVERVIEW

Extraordinary property with incredible potential of 148 sqm a few metres from Calle Larios.

This property is located in a building with a concierge and 2 lifts, clearly built for the luxury market.

With its two entrances, one for service staff, with direct access to the kitchen and the main one, which accesses a large hall, we clearly see the high-level concept in its layout.

From the hall we have a spacious living/dining room, behind its double doors, with direct access to the large south facing terrace.

Next, we have four bedrooms, two exterior facing and two interior facing, and two bathrooms.

The large kitchen, opposite the living room behind the entrance, has another bathroom and an additional bedroom next to it.
