OVERVIEW

Beautiful and elegant 4-bedroom villa with separate apartment for sale in Miraflores del Palo.

Lucas Fox is pleased to present this elegant villa, recently refurbished and ready to move into. This beautiful home, which is accessed directly from the street, is full of details that enhance its elegance. The walls are all finished in high-quality Venetian stucco and the floors are marble, which combines a beige tone with white and blends with the green shades of the typical Carrara marble. These details, as well as the stained-glass windows in the doors and stairs, the stainless steel railings, the outdoor fountain and its mature fruit trees, give it a distinguished air in which each element denotes great attention to detail and great taste.

From the hall, to the left, there is access to the living room, facing east and south, with exit doors leading to the large porch, which faces east. This floor has a guest bathroom. To the right, there is a study and a dining room, in addition to the fully equipped kitchen and a spacious office, which is on the corner, so it enjoys dual south and west aspects.

On the first floor, there are the 3 elegant and enormous bedrooms, with sophisticated decorations on the ceilings that give them a unique air. All 3 have a dressing room and complete bathroom that include saunas and hydromassage. These bedrooms stand out for their great spaciousness and feeling of comfort, present in every corner. On this floor there is also a small study open to the hallway.

On the lower ground floor, the pool and garden are located, as well as an independent apartment with a bedroom, dressing room, bathroom and a sophisticated kitchen that has hardly been used, since it is just 2 years old. In addition, and to maintain the quiet and peace of the house, the laundry, the ironing room, a well-cared wine cellar and an air-conditioned gym with wooden floors and a sauna are located on the interior side.

This villa has everything you may need to start a new life in Malaga in a wonderful setting and close to all services.
