OVERVIEW

This 241 m² property is located in one of the most sought-after areas of Malaga, a few metres from the historic centre, Pier One, shops and restaurants.

After one of the entrances we have a hall that offers us access, facing south, to the main living room and 2 bedrooms including the master bedroom with an en-suite bathroom.

The living room is characterized by its large size and being located on the corner of the building, it offers us the emblematic views of the sea and the park of Malaga that makes this property stand out, especially from its terrace.

Next, we have 3 additional bedrooms with 2 bathrooms, all with fitted wardrobes and with outstanding views.

Next to the second entrance of the property we have, after another hall, the kitchen, fully equipped and a large window with views of the Gibralfaro viewpoint and the laundry area, with its washer and dryer. The property has mains gas, an air conditioning system, double glazing and also a gas fireplace in the living room.

The property also has a large storage room on the roof of the building, often used as an art studio.

The building has wheelchair access and 2 lifts.

It also has two entrances, giving more flexibility to the layout or even the possibility of dividing it into several independent dwellings.
